## 2022 IOMC Healthcare Awards Open for Nominations The Institute of Medicine of Chicago Due May 2-4, 2022

CHICAGO—[The Institute of Medicine of Chicago](#) 2022 Healthcare Awards are open for nominations. The seven award categories are open to all through May 2-4, 2022. There is no fee to submit an entry. IOMC is proud to recognize the achievements of leaders in healthcare, public health and population health. Awards will be presented at the 2022 Annual Meeting on June 30, 2022, at VenueSix 10 in Chicago, Illinois. For more details, [visit this page](#). [See last year's award recipients here](#).

### **The Henry P. Russe, MD Citation for Exemplary Compassion in Healthcare**

HENRY P. RUSSE, MD (February 12, 1928-May 10, 1991) served as Dean of Rush Medical College at Rush University Medical Center and served five terms as President of The Institute of Medicine of Chicago during an extraordinary decade of personal and professional commitment to the advancement of medicine. To recognize his contributions, the Trustees of Rush University Medical Center and The Institute of Medicine of Chicago have established the Henry P. Russe, MD Citation for Exemplary Compassion in Healthcare. This ongoing award demonstrates, as Dr. Russe exemplified, that humanitarianism must characterize the practice of medicine and medical education beyond the science, technology and personal skillfulness essential in caring for the health of our fellow citizens.

**Deadline May 2, 2022.** Download the Nomination Form for The Henry P. Russe, MD Award [here](#).

### **IOMC Humanitarian Global Health Award**

Presented to a Chicago, Cook and Collar counties area individual or organization that has provided voluntary, longstanding, and international humanitarian health service(s). The humanitarian work must be performed outside of the US. The history and timeline of the work initiatives must be included in the submittal. The recipient need not be a Fellow or affiliated with the IOMC.

### **The Portes/IOMC Award for Excellence in Prevention of Disease**

Awarded periodically to an individual in the Illinois region who has shown excellence in health promotion and disease prevention by their contributions in the area of prevention of disease, and the remediation of disability and human suffering. The individual need not be a Fellow of the IOMC.

### **Innovation in Health Care / Health Care Delivery *New Award Category- two award opportunities!***

The Innovations in Health Care/Health Care Delivery Award recognizes an individual or organization that has implemented an approach, strategy or improvement in health care or health care delivery that enhances patient care, equity and/or improves outcomes. **Two awards comprise this specific award. 1) Health Improvement - primarily**

academic institutions. 2) Healthcare Delivery - individual or an organization. A curriculum vitae of the leader must be submitted if the nomination is an organization. The healthcare professional need not be a Fellow of the IOMC.

### The IOMC Award for Public Service
