

# Institute of Medicine Chicago

## Our Success – 2019

### AWARDS

1. Awarded Portes Foundation and Michael Reese Education and Research Foundation funding to investigate coalitions impacting social determinants and models to improve efficiency, effectiveness, and sustainability to improve wellbeing.

### STRATEGIC PARTNERSHIPS

2. Highlighted the partnership with Midwest Business Group and jointly published the paper “Turn the Tide on Mental Health” in Chicago Medicine.
3. Expanded our reach and diversified development among the IOMC Board and our traditional partners with social media campaigns and resulting in grant funding.

### EVENTS

4. Showcased the National Academy of Science report regarding Integrating Social Care with Health Care Delivery to a multi-disciplined stakeholder leadership breakfast.
5. Launched the first Emeritus Billings Committee and held two meetings in 2019, engaging five past presidents and 20 Fellows at each event.
6. Hosted the inaugural west suburban, Oakbrook, networking event to expand our connections with a record number of 40 attendees!

### MEMBERSHIP

7. Recruited and retained the highest number of IOMC Fellows in the past decade since the founding of the organization.
8. Created, disseminated, and published the most newsletters in IOMC history- four consecutive quarters reaching nearly 1,000 of our community partners and Fellows each quarter.
9. Updated website content, while developing a new design to offer more significant benefits and communication to our community.
10. Engaged seven student interns from the University of Illinois Chicago, Loyola University, and Washington University enrolled in health systems, pre-med or business administration to foster the next generation of wellbeing.
