

Cannabis - Everything You Need to Know About Cannabis Therapy in the 21st Century

November 12, 2021

Eloise Theisen, MSN, RN, AGPCNP-BC

Eloise Theisen is a board certified Adult Geriatric Nurse Practitioner who specializes in cannabis therapy. For over 20 years, Eloise has worked primarily with cancer, dementia and chronic pain patients. In the last 6 years, Eloise has focused her efforts on cannabinoid therapies.

Ms. Theisen has worked with over 6500 patients to help them effectively treat age-related and chronic illness with cannabis.

She is a co-founder and the Chief Executive Officer of Radicle Health and Radicle Health Clinician Network. She currently serves Chief Nursing Officer of Leaf411 where she oversees the Leaf Nurse Network

Ms. Theisen was one of the first healthcare professionals to bring a clinical dosing regimen to the cannabis space. In 2019, she was elected President of the American Cannabis Nurses Association and will serve through 2022.

She is the current assistant chair for the Medical Cannabis Certificate Program at Pacific College Health and Sciences where she co-developed the certificate program for healthcare professionals and cannabis industry professionals.

In 2019, Ms. Theisen co-authored Pain Free with CBD: Everything You Need to Know to Safely and Effectively Use Cannabidiol with Alice O'Leary Randall. She also contributed a chapter in Dr. Carey Clark's Cannabis Handbook for Nurses.
